FOR IMMEDIATE RELEASE

Valogix LLC Acquired by Embrace Software

Saratoga Springs Ny and Tampa, Florida May 13, 2022

Valogix is happy to announce that the company had been acquired by Embrace Software (“Embrace”).

Valogix solutions support American and International businesses solve some of their toughest supply chain replenishment/demand planning challenges. Valogix Inventory Planner optimizes its customers capital supply chain investment constraints to maximize overall business performance. Their solutions bring both powerful and efficient solutions for all logistics demand planners.

“Supply chains and their disruption are in the news every day around the world. The advanced technology we bring to market dramatically helps company better manage their supply and demand”, said Richard Vaccaro, Chief Executive Officer. “Being a part of Embrace will further advance our technology and market reach.”

“With several hundred customers worldwide and on behalf of our dedicated and skilled employees and partners, we are excited to join the Embrace team and grow the company’s offerings even more. We believe there is great synergy,” according to Patricia Ludwig, Chief Operating Officer.

“Valogix team has shown unmatched dedication in delivering value to their customers. We look forward to building on their strengths and achieving great things together”; said Mohan Plakkot, CEO at Embrace. “Valogix adds to our Industrial software portfolio after Radiant.”

Richard and Patricia will continue to lead Valogix with Embrace providing operational tools, bringing inhouse and external experts to help grow Valogix to its full potential.
